

## ALL PURPOSE PUNCTURE PRO

Introducing the new Puncture Resistant Boot from Heartland Footwear, designed for those who demand superior protection and comfort on the job. Crafted with advanced tear and puncture-resistant material, these boots are built to withstand the toughest environments. Whether you're working in construction, manufacturing, or any demanding field, these boots offer unmatched durability and safety. The PVC construction ensures a lightweight feel without compromising on protection, and the easy on-and-off design saves you time and effort. Certified to ASTM F3445 standards, these boots provide exceptional slip resistance, keeping you safe on slippery surfaces.

- Tear and puncture-resistant material for enhanced durability
- Easy on and off for convenience
- Boot is made of PVC material for lightweight protection
- ASTM F3445 slip certified for superior traction on various surfaces
- ASTM 2413-18 M/I/C & PR
